LOTS TO TALK ABOUT AT THE AGM

The Annual General Meeting will be at 8–0 p.m. at the Battle of Britain Club on Thursday December 13th. Mathew Dawson will report about the progress made over the last year and Stuart Whitehouse will explain the financial situation. After very many years in various committee roles including five years as chairman,

eight years as secretary and fifteen years as club chief examiner, Leon Taylor has decided not to stand for the committee this year. The other existing members have confirmed they wish to stand and we have received one new nomination for committee membership from Simon Hislon.

After the committee election, Mathew Dawson will lead a debate on what the club might do with the mountain of AstroTurf that is shown in the picture on the left. If you wish to make an input to this discussion please get to the meeting.

Your views will also be sought on whether or not we should purchase another batch of clothing such as Caps, Fleece, Jumpers or Tee Shirts with the club logo. We will be providing free drinks and a delicious hot finger buffet to encourage a full turn out.

This shot taken in 1987 by Peter Nielsen shows the pits in the initial field layout. More of these vintage pictures can be found on our updated website at www.wlmac.co.uk.

Kaiyo Contractor proudly holds up his A certificate and his trainer after successfully passing his A test.

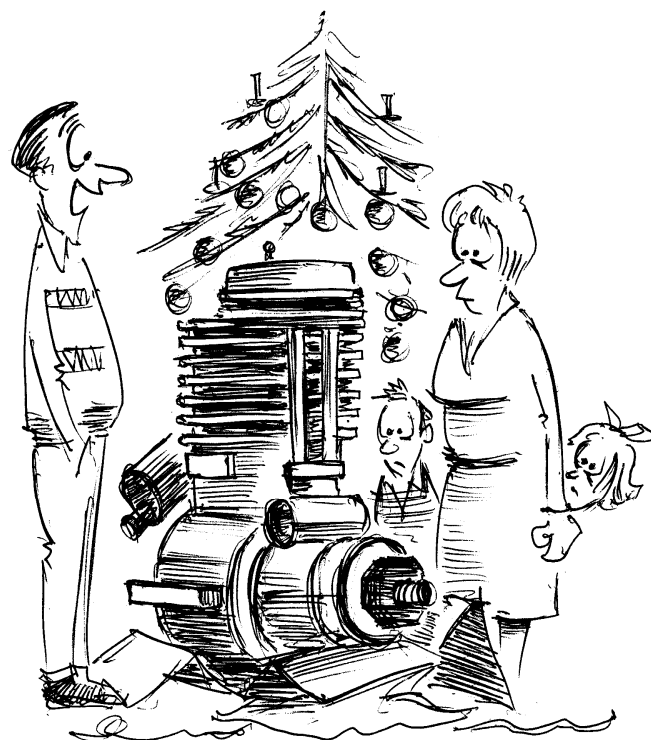

At our last meeting we heard that a number of these ME 262's had been purchased by our members so we may see a flight of them at the field soon.

The view to the East of the pits following the recent work with a large machine to clear a large area of brambles. We hope to have this done on a regular basis in future.
