## THE AEROMODELLERS RETURN

After last month's deserted bank holiday scene, who'd have thought that this was the middle of October? WLMAC members shoot the breeze in the sunshine of an Indian summer, with their models lined up on a windless, sunny Sunday. The grass is thick and green thanks to Des Wheatley's constant attendance. Rejoice in our wonderful field, as winter descends on it - and look forward to a 2008 season as we retreat to our winter workshops.
